A SUMMER OF STORIES

connect with help us make sense of this chaotic world and the stories we cherish most deeply affect the ways that we act toward ourselves and others. This summer we are going to

years. To celebrate the highs and the lows, to talk about how the community rallied around one another in uncertain times and how they came together in the face of tragedy. I desire to hear how each member has become part of St. Paul's and entered into God's community more fully.

And the story of the Namminga family. Many of the congregation know about our arrival in Pennsylvania on the cusp of our third child. Many have been involved with the journey and have heard the music, listened to the sermons, and seen our children grow. Some may remember that Jaime and I grew up in a small farming town in South Dakota, and others may be aware of our continuous adventures throughout our marriage which saw us move to eleven different addresses in six different states. And some may just know us from trying to wrangle all three children on Sunday morning as we try to herd Oliver, Dakota, and Sophia in the same direction. But our hope is that you get to hear more of our story, the things we value, the joys that we have celebrated along the way, and the challenges that we have faced and sometimes failed to overcome. Either way, I hope that at some point we can sit down and listen to one another in our summer of stories.

Rev. Darin Namminga

As we celebrate the sabbatical that Pastor Dietmar will be embarking on we look forward to the summer and what it has in store for us at St. Paul's. As I contemplated what might be a good theme or series to consider I thought about all the stories that we are surrounded by in our lives and that we hear and decided that for my summer we will focus on stories.

focus on stories.

Stories are the windows into our lives and the lives around us. The stories that we tell are how humans create worlds. We tell stories of our victories, stories of our failures, we tell stories about love, stories about loss, we tell stories about hilarious situations, and stories that move our souls. We tell new stories, old stories, and repeat stories. Often times, we dismiss stories because we might feel that they are not authentic or we are just tired of hearing the same story. But stories have power. They shape us, they shape others, they shape our perception and our understanding. The stories we

In worship, we are going to explore the old Hebrew stories that were handed down generation to generation until they were written by the scribes to preserve Israel's heritage. Many of these stories we have heard since we were young children, others may be strange or foreign to us, some of these stories we might think we may remember, but we may hear new details. Our goal is to listen to those stories anew; to learn the foundational realities about who God is and how God interacts with this world. My hope for all of us is to take comfort and be challenged by these stories.

In community, I hope to hear more of St. Paul's story through individuals. To discuss the heritage and the faithfulness that has led to where St. Paul's UCC is today. To listen to what values and what hopes St. Paul's has carried through the

Summer Worship Time - Beginning June 12, 10:00 AM - To give people the option of having more of their summer Sunday time available and, because Sunday school will not be taking place during the summer month, Church Council decided to

start our Sunday worship services from June 12 through Labor Day weekend half an hour earlier, at 10:00 AM. As always, we invite you to join us in person or online for worship at 10 AM beginning with June 12.

I am looking forward to a time of renewal, learning, spiritual growth, and refreshing experiences this summer. I will spend a week at a Franciscan Retreat Center and another week at Mt. Savior Benedictine Monastery in upstate New York. I will take time for reading, pottery, and painting. And together with Sigrid, we will be traveling to visit her parents and siblings in Germany and spend a week of vacation in the Netherlands. Rev. Darin Namminga will fill in while I will be on sabbatical. I am very grateful that he will do that. You know him from leading worship services and his family from participating in various ministries. During the times when Rev. Namminga will be out of town for a mission trip, for vacation, we will have Rev. Dr. Thomas Martin (on June 26) and Rev. Michael Price (on August

7) filling in for worship, and Pastor Sally Dries and Pastor Amelia Price available for pastoral care. With pastoral care concerns from June 25 - July 1, please contact Pastor Sally Dries directly at (570) 850-6062. From August 1-13 and August 22 - September 3, Pastor Amelia Price will be available at (570) 850-7739 for pastoral care concerns. Please feel free to contact Rev. Namminga via email at darinnamminga@gmail.com or on his phone at (605) 929-6495. With any church related questions you can always call or email Linda Turner in the church office at office@saintpauls-ucc.org or (570) 347-8749. Have a blessed summer and let the Spirit of God refresh your souls, too.

In faith, hope, and love,
Pastor Dietmar

SUMMER WELCOME PROJECT

Will you please help us express our extravagant welcome visibly on our front lawn? We are looking for a great variety of chairs that will be painted in rainbow colors and then displayed prominently on our church property with a banner that says; "There is a seat at God's table for everyone." We need a children's high chair, a wicker chair, a dining room chair, a bar stool, a rocker, etc. If you have a (non-upholstered) chair you want to offer us/give us for this Welcome Project, please email a picture of the chair to the church office at office@saintpauls-ucc.org. Our church secretary, Linda Turner, will send the picture to Shane Sanders who is spearheading this project. Shane will decide

whether we can use your chair or not, since we want to prevent receiving several similar chairs. The project works well only with a great variety of chairs. We would need all chairs by the end of July. Thank you for your help!

WHY BAPTISM?

Ben and Kelsey Williard are the parents of Landon and Liam. During the worship service on May 15, on the occasion of the baptism of their son, Liam, they shared why faith is important to them as a solid foundation and how they will continue to grow in faith with their sons. Congratulations on behalf of all of St. Paul's!

When we met with Pastor Dietmar earlier this week, he asked us why baptism and why was it important to us to raise Liam in faith. For Kelsey and I, throughout childhood and our adult life, faith has always been a solid foundation. We both feel that this foundation has been tremendously influential in who we are, but also provides us a core structure to continue to build upon. Knowing that we can always fall back on this faith, promotes the opportunity to continue to learn and grow, which we both feel is an essential component of life.

As Liam grows, he will have his own experiences and viewpoints on life, but by

raising him in faith we hope that he can establish this foundation as well. We are excited by the reality that we will continue to grow with our son and accept God's plan.

We want to thank both of our families for exposing us to why having faith in Christ can lead to a fulfilling and joyful life. We also want to thank Pastor Dietmar and

the St. Paul's community for being a major part of our foundation over the last two challenging years. To Liam – we love you and want you to know that we will always be here for support and wish you the best life has to offer. Trust in God, and have faith, for this faith will always provide guidance and lead to a rewarding life.

MESSAGE FROM THE YOUTH LEADER

Thank you to everyone who helped with Sunday School, Kids Group, and Vacation Bible School. Have a restful summer

vacation and I'll see you in the fall!

Torri Stark

THE GREEN VBS

GROW IN FAITH. HAVE FUN. CHANGE THE WORLD. ST. PAUL'S

COME TO VBS JUNE 6 TO 10, 5:30 TO 7:30 PM

VBS is right around the corner, June 6 -10, 5:30 to 7:30 PM! It's important for us to listen to Jesus' stories because that's how God's love, the gospel, is planted within us. When God's love takes root and grows up within us we have more than enough love to face hard challenges and share with others, including God's creation. Kids will plant their own little "pizza garden" to take home. Sign up [here!](#)

St. Paul's Wish List

2 LASER PROJECTORS

MEDIA CART WITH TV

NEW WHEELCHAIR

GARAGE DOOR OPENER

If you are willing and able to help with one of the following items, or contribute toward one of them, please let the church office know. You can specify "Wish List" or the name of a specific item (Media Cart, Wheelchair, Projector, Garage Door Opener) in the memo line, if you want to write a check. Thank you!

Two Laser Projectors for the Sanctuary: If you have been worshiping with us in person, you notice that the projected slides are slowly fading away. Even though we covered the windows by the screens to keep outside light from interfering, the quality is much waning. The current projectors were installed nine years ago, are aging and worn, and on their way out. They just can not do the job anymore. That is why we need two new projectors for the sanctuary, best before the old ones totally give out. We want crisp and clear images to match the quality of the services. Two new long-lasting laser projectors will accomplish that. Nine years ago, when the current projectors were installed, laser projectors were not available. Now they are and we as a worshipping community will greatly benefit from them. One high-quality laser projector to match the size of our sanctuary and screens will cost about \$5,000. We need two of them.

A Media Cart with Large LED TV: Our church meetings will continue in hybrid mode. This means, that Church Council and all other church committees will take place in person AND electronically, via Zoom. Some people who live in town, will participate in person. Others, who live away (like in Northumberland), or are traveling (like staying over the winter months in Florida) or for various other reasons can not join us in person (like people who do not drive at night any more), will join in via Zoom. We need a large flat screen TV, to make that possible. The current TV in the council room is too small to do a great job and to allow for good quality screen sharing . A media cart will help us move the TV on the lower level to where it is needed, to the Christian Education room for children to learn, the fellowship hall for "Hot Topic" presentations, etc. A good quality long-lasting media cart with large flat screen TV will cost about \$1,500.

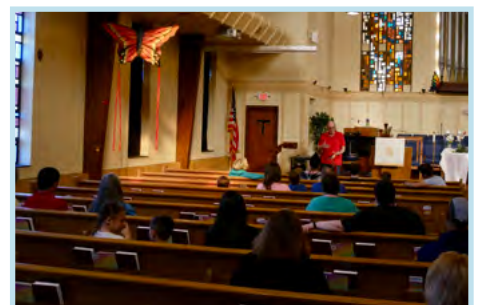

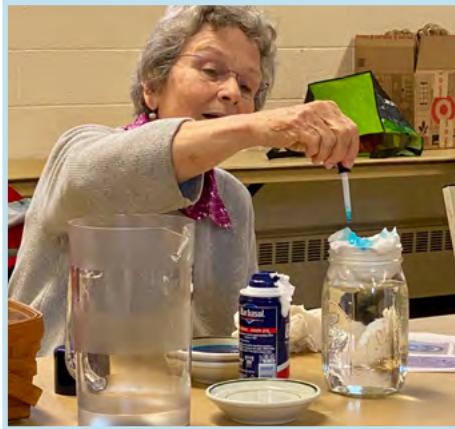

A Light-Weight Wheelchair: Recently we have had a guest with a walking impairment twice visit St. Paul's for worship on Sunday morning. We want to be able to offer them a good quality, well functioning light-weight wheelchair. Currently, St. Paul's has two wheelchairs from the fifties or sixties, which are super heavy. They are located on the lower level by the Council Room. On Easter Sunday Pastor Dietmar carried one of them up the stairs to make it available to the guests. It was "back-breakingly" heavy even for Pastor Dietmar who considers himself to be strong. We really need to replace the two iron-heavy ones with a light-weight good quality wheelchair that any person can move and navigate inside and outside to the parking lot and back. It can also be a slightly used one. A new high quality light weight easy to operate wheel chair would cost about \$500.

A Garage Door Opener with Installation: The church's double door garage is unlocked at all times. We have lawn mowers, tools, EZ Up tents, tables, Loaves and Fishes huts, etc. stored there. We want to be able to keep everything safe, protect St. Paul's property from theft AND make the mowers, tools and equipment easily accessible for those who use them. An automated electric garage door opener will help us do that. It will lock the door and the garage to keep items safe, and will allow access through a remote and key pad to those who are authorized to use the garage. We estimate the cost for a good-quality automated garage door opener, including its professional installation, to be about \$750.

MESSY CHURCH NEWS

Messy Church is taking a summer break. We will see you all back on September 11 at our Kick-Off Party and Picnic at the East Snyder Park. More info and a signup link will be coming later in the summer. Thank you to all on the Messy Church team who tirelessly and courageously meet every month before and after Messy Church to plan, prepare, and lead. Thank you also to all the volunteers who come to Messy Church and help. We couldn't do it without each and every one of you! And, last but not least, thank you to all the children, parents, grandparents, adults, and teens who came and participated in the fun! We can't wait to see you again on September 11! Have a healthy, happy, and restful summer!

Sigrid Plajer

ST. PAUL'S COUNCIL MEETING MAY 10, 2022

Because of the timing of the newsletter publication, these newsletter minutes are not the official, approved minutes. After the minutes have been approved at the next meeting, the final minutes are available upon request.

Attendance: Sara Adams, Kim Burkhart, Bob Engel, Bev Heineemann, Darin Namminga as guest, Peggy Peeler, Pastor Dietmar Plajer, Sigrid Plajer as guest, Shane Sanders, Craig Stark, Randy Tanner, Linda Turner, Allen Wetzel.

Excused: Amy Caron, Kathy Ulrich, Josh Werich, Mike Zettle-moyer.

Minutes from March Council: Minutes were sent earlier via email by Randy Tanner; no changes were noted. A motion to approve the minutes was made by Al Wetzel, seconded by Bev Heineemann, and the motion was approved.

Financial Report: The report was sent earlier via email. Linda Turner answered the few questions posed and noted that the budget is on target for the year. A motion to approve the financial report was made by Randy Tanner and seconded by Shane Sanders. The motion was approved.

Pastor's Report: Pastor Dietmar sent out his report earlier via email. He mentioned that he has received many heartwarming comments on our entire Easter season: the joyous singing in church and all the special music and singing, Anna Ogunnaike being part of our Easter Service was a joy to her, Shane and all in attendance.

Unfinished Business & New Business

Worship Service: With the recent surges in new Covid cases, we will re-visit the suggestion of our former communion set-up again, hoping to implement this change this fall.

Worship in Person: Our congregation and others continue to use all our tech services weekly. Sigrid noted that our current projectors are 9 years old and suggested replacing them with new laser projectors that will have a much improved picture quality, will last much longer, and don't have bulbs that need to be replaced every few years. Council gave the go ahead to get quotes for new projectors in the near future.

Sabbatical Fill-In: We look forward to welcoming two local ministers to the pulpit on two occasions when Rev. Namminga is out of town. On June 26 Rev. Dr. Thomas Martin, and then on August 7 Rev. Mike Price will fill in.

St. Paul's Vision: Our Conference Minister Rev. Dr. Carrie Call has offered her assistance in providing clarity to discern our Post Covid forward visioning. We will revisit this in the Fall after Pastor Dietmar returns from sabbatical with a late Fall or early Spring roll-out.

Community Opportunities:

- Sigrid shared a photo of brightly painted chairs of all shapes & sizes with a sign reading "There is a seat at God's table for everyone". Much talk ensued with this sounding like a good idea to follow up on.
- SUN Area Work and Witness: Pastor Dietmar shared an upcoming local mission event at the Church of the Nazarene being sponsored by the SUN Area Work and Witness. From July 27-30 the event will provide help for local low-income families with projects. They are looking for volunteers and there is a \$15 sign-up fee.

Personnel Committee Report: We are still searching for someone for the Treasurer position. The committee met with two candidates for Church Secretary. Both are great candidates bringing much to discuss after Linda Turner, Sigrid Plajer, and Craig Stark were excused from the Council meeting. After considering the skills and compensation expectations of both, a motion to hire Linda Turner for the position was made by Randy Tanner and seconded by Shane Sanders. The motion was approved.

Messy Church:

Everyone attending the May 8 Messy Church enjoyed themselves, with many great volunteers helping. With summer, the team will take a break, returning in September.

Adult Sunday School:

Both Sunday morning hybrid and Thursday evening zoom meetings are taking a summer break and will return in the fall.

Kids Group, Children's Sunday School, and Teen Group:

The Kids Group and Children's Sunday School continue to be a positive experience for all those attending. The Teen Group enjoyed their first meeting, having some fun activities and getting to know one another. All these groups will not meet during the summer, but stay tuned for the Fall start-up of these groups.

Vacation Bible School: Please check your last newsletter or eNews for a list of items that we would appreciate being contributed. The item list will change when enough of those items are donated. Please consider volunteering to help however you can to make this event possible.

Confirmation Group: The confirmands will be "graduating" on Pentecost Sunday, June 5, when the confirmands will officially join the church. Please join us as we celebrate our youth and wear something red, orange, or yellow for Pentecost!

Summer Worship Time: There was a short discussion about going back to our usual summer worship time of 10:00 AM. A motion to approve the time change was made by Randy Tanner and seconded by Joshua Wenrich. The motion was approved.

New Members: The second New Member Orientation meeting is on May 22. Please consider being a mentor to help the new

COUNCIL MEETING MINUTES CONTINUED

group transition with questions and concerns for an easy transition. The new members will join St. Paul's on June 5th. Hopefully the weather will cooperate to welcome our new members outside or meet in the social room if it rains.

Kick-Off Sunday: A picnic is planned at the East Snyder Park on Sunday, September 11, and will also host our returning Messy Church activities. Please plan on attending this wonderful social event!

Committee Reports

Property and Grounds

- The repair issues with the bridal store rental property were deemed not fiscally appropriate with the current repair needs.
- We are exploring an energy audit for the church facility (with Rick Campbell being the point person) which will assist with the new furnace purchase.
- The dishwasher repairs are complete.
- We are awaiting bids for the exterior concrete work.

Green Team/Living Into Right Relations

- We are planning adding a link on our St. Paul's website which will allow everyone to view our info!
- We will join the fun in participating with VBS!
- The news of a first of its kind Plastics Recycling plant coming to our area was lauded and discussed!!
- Appreciation was given to Peggy Peeler for volunteering to take meeting minutes for the group!
- Ongoing meetings reference the continued ongoing planning to bring PFLAG Selinsgrove to fruition along with continued social justice issues, recycling/renewal and input on the upcoming furnace purchase.

Next Church Council Meeting is scheduled for June 14, 2022. Linda Turner will provide devotions for Council. Additional prayer requests were noted and we adjourned with the Lord's Prayer.

Respectfully submitted,
Randy Tanner, Council Secretary

SNYDER COUNTY CHILDREN & YOUTH BACKPACK PROGRAM

Children & Youth is, again this year, collecting school supplies for their annual Back to School Fair in August.

Items may be left in the yellow box outside the Secretary Office door and must be received no later than July 14, 2022.

If you prefer to make a monetary donation, make check payable to SCC4K and write "Children's Fund" in memo line. Mail to Snyder County Coalition 4 Kids, P.O. Box 103, Selinsgrove, PA 17870.

Items needed are:

- Backpacks for High School Students (boys and girls)
- Pencil pouches (3-ring binder style)
- Pencil boxes
- Book covers
- Erasers (pencil top)
- Glue sticks
- Glue bottles
- Scissors (safety scissors and regular)
- Construction paper
- Pocket folders (with clasps inside)
- Rulers
- Germ X
- Tissue packets
- Post-It Notes
- Vinyl folders
- Trapper keepers
- Highlighters

PASTOR'S REPORT APRIL 2022

Our St. Paul's Mission is to grow in faith, to worship God, to serve others, and to welcome all.

Holy Week was deeply meaningful and moving especially this year as we are emerging from the pandemic. The Palm Sunday celebration with the children's processional "Hosannah, save us, Jesus" and the traditional "The Palms" recording from a couple of years ago warmed my heart. On Maundy Thursday we observed Jesus' last supper with his disciples, which became our Holy Communion with bread and grapes. We offered the traditional foot washing and walked with Jesus into the darkness of suffering and death through the Tenebrae part of the service. The Easter Sunrise service, with Easter Fire, and the Easter Celebration service, with Butterfly Dance, Senior Choir live presentation, and Easter Egg Hunt were the highlight of the season. I'm deeply grateful for all who made our services extra special, especially for the Worship Team who decorated the sanctuary to perfection with butterflies and flowers. The butterflies, as symbols of resurrection, reflect our Easter Season "Emerge" theme. Together with Jesus, we hatch from cocoons and tombs, spread our wings, take flight, and rise with Jesus to a new life in Christ.

Messy Church on Palm Sunday was the

best so far with 60 persons participating. With crafts, art, activities, Bible story, and a meal, young families and adults explored the message and meaning of Easter. Thanks to a great Messy Church team and to the many helpers who make it a wonderful experience. Messy Church is a key ministry of St. Paul's that also reaches families from the community who do not otherwise connect with St. Paul's.

We visited the Sunbury Synagogue with 13 participants from the Confirmation Class and the congregation at large on April 3. Rabbi Nina Mandel introduced us to the life and services of Congregation Beth-El. It was wonderful to explore how our Jewish sisters and brothers practice their faith and serve the community.

The Card and Care Ministry Team, a group of faithful and caring persons sends weekly cards to members and friends of St. Paul's who are facing challenging situations. I am grateful for all of the team who pray and share God's love and care in tangible ways. It is wonderful to know that one is lifted up in prayer and assured of God's presence through life altering challenges.

Youth Leader, Torri Stark and Jevan Beaver planned for and facilitated a wonderful Youth Group event with nine

teens participating on Sunday, April 24. It is great to create new opportunities for St. Paul's and area teens to engage for meaningful activities. Thank you to Torri and Jevan for making this happen and for planning for a summer event and regular fall youth activities.

Rev. Darin Namminga is a blessing. He filled in leading the worship service on April 24 while I was on vacation. He will also fill in while I will be on Sabbatical from June 6-September 5.

Thank you for your prayers, your witness, your giving, your service, and your faithfulness to God and to God's work through St. Paul's. You are the hands and heart of Jesus in action!

April 1-30, 2022

Respectfully submitted,
Pastor Dietmar Plajer

CONGRATULATIONS, ST. PAUL'S GRADUATES!

We celebrate their accomplishments. This year's high school graduates are: Ryan Bolig, Myia Brosius, Maya Caron, Theodore Feiler, Ethan Kelly, Zachary Stark, Grace Wagner, and Paige Witkop. Our college graduates are: Jonathan Cope, Matthew Cope, Owen Feiler, Sam Haddon, and Rachel Kelly.

RYAN BOLIG

Ryan is finishing his Seals Den program at Selinsgrove High School. Ryan loves to search YouTube videos in his free time, swim with his Special Olympics Team and go to the beach. He is planning on doing volunteer work at The Manor at Penn Village, clean the Susquehanna Valley Dance Company, and package dog treats for Abby's Doggone Dog Biscuits.

ETHAN KELLY

Being with my family and friends bring me joy. I love learning about new things. The next big thing to come for me is Penn College of Technology to pursue Heavy Equipment. This is a very big step for me that I cannot wait to begin

MAYA CARON

Singing and making music in all forms brings me joy. I am most grateful for my incredibly supportive family and friends who have helped me throughout my whole life. I will be attending Penn State University to major in Music Education. I am very excited to see where this new chapter takes me.

ZACH STARK

Zach is grateful for his health and hopes to have a good paying job in the future so he doesn't have to worry about money. He will be attending Susquehanna University in the fall.

MYIA BROSIOUS

Myia is a caring and kind person, willing to always help when needed.
